A screenshot of a web browser displaying the 'Epic Pro Alpha' application. The browser's address bar shows the URL 'http://moqups.com/team_name/teams'. The application's header includes the title 'Epic Pro Alpha' on the left and a 'Create a project' button with a dropdown arrow on the right. A sidebar on the left contains navigation links for 'Dashboard', 'Teams', and 'Projects'. The main content area is titled 'Available projects' with the subtitle 'Configuración de la información general de los proyectos'. A 'Create a new project' button is located in the top right of the main area. A modal dialog titled 'Create a new project' is open in the center, featuring a close button (X) in the top right corner. The dialog contains a 'Name project' text input field, a 'Resumen' (Summary) text area, and a 'Save' button at the bottom.

The screenshot shows a web browser window with the address bar displaying 'http://epicpro.com/team_name/projects'. The browser's title bar says 'Mozilla'. The application interface has a light blue header with 'Epic Pro Alpha' on the left and 'Create project' on the right, next to a user profile 'zonvi' with a dropdown arrow. A left sidebar contains a menu with 'Dashboard', 'Teams', 'Projects' (highlighted), and 'Resumen'. The main content area is titled 'Available projects' with a subtitle 'Configuración de la información general de los proyectos'. Below this is a 'Select a project' label and a dropdown menu currently showing 'Project name one' with a downward arrow.
